Consultant Interventional Paediatric & Congenital  
Cardiologist  
Apollo Children's  
Hospital. Chennai. India.

30<sup>th</sup> September, 2019

Dear Dr Viswanathan,

Re: Eliana QUAICOE; D.O.B: 23/01/2019; SEX: FEMALE; WEIGHT:5.5KG

**DIAGNOSES:**

Complete Atrioventricular Septal Defect  
Tetralogy of Fallot  
Failure to Thrive  
Trisomy 21

**CLINICAL REFERRAL**

Eliana has the above diagnoses.  
She is clinically stable at present.

I would be grateful for her to have further cardiac investigations in your institution and surgical management.

I would be grateful for a quote for her hospital management to pass onto her parents.

Yours sincerely

Dr N-A Yao  
Consultant Paediatric & Congenital Cardiologist

Re: Eliana QUAICOE; D.O.B: 23/01/2019; SEX: FEMALE; WEIGHT:5.5KG  
DIAGNOSES:  
Complete Atrioventricular Septal Defect  
Tetralogy of Fallot  
Failure to Thrive  
Trisomy 21

Dear Dr Yao

Thank you for referring this patient for further management to us. As recommended by you the patient will need detailed assessment followed by surgery

The cost of surgery including post op investigations, ICU stay and medications will amount to 6500 USD. Pre operative tests including ECG, echocardiography, blood tests +/- CT or cardiac catheterisation will cost 2000 USD. The total cost to the patient will work out to 8500 USD

Kindly let me know when they are likely to travel and I will arrange for a letter for immigration purposes and also make arrangements for the family to be picked up from the airport when they arrive.

Warm regards

Dr Sangeetha Viswanathan

Dear Sir/Madam,

***FINANCIAL SUPPORT FOR AN URGENT HEART SURGERY***

I am Yvonne Mamle Plahar a first-time mother, and a staff of Ghana Institute of Journalism. My daughter **Eliana Nana Ekua Afra Quaicoe** has been diagnosed with a **Complex hole in heart**, at Korle-Bu Teaching Hospital, the Pediatrician Cardiologist said the surgery cannot be done in Ghana and has referred her to the **Apollo Children's Hospital, India** for an urgent surgery.

I am appealing for financial support to enable me send my One Year old baby to India for surgery to correct this anomaly, in order to save her life. Without this life saving surgery, my daughter will not survive.

The cost involved is as follows:

- **Surgery: \$ 8500**
- **Travel: \$5,171**
- **Hotel: \$1000**

**Grand total: \$14,671**

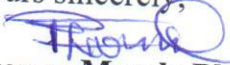

Attached are the following documents for your consideration.

- **Referral Letter**
- **Surgical invitation Letter**

I will be very grateful if you would help save the life of my little girl.

Counting on your favorable response.

Yours sincerely,

  
**Yvonne Mamle Plahar**  
**Mother (0249340006)**
